

A person is lying on their back on a white, curved surface, possibly a sofa or bed. They are wearing a white dress with a small floral pattern. Their legs are extended, showing they are wearing Nallan sandals. The sandals have two straps with silver buckles. The person's feet are pointing towards the top left of the frame. The background is a plain white wall.

A photograph of a person's legs from the knees down, wearing light pink, minimalist sandals with a single strap across the foot. The person is sitting on a light-colored concrete ledge next to a swimming pool. The water in the pool is a clear, bright blue. Strong sunlight creates sharp, dark shadows of palm fronds across the person's legs and the concrete.
